BRAKING SYSTEM DIAGNOSIS & REPAIR

Professional Technician's Training Seminar

NOVEMBER 6, 2023
XL Parts Distribution Center
15701 Northwest Freeway
Houston, TX 77040

Factory Trained Instructor
Dinner - 6:00 PM
Clinic - 6:30 PM

Overview

This instructor-led training seminar focuses on braking system diagnosis, and covers components, operation, and proper service practices. This course highlights real world case studies to address brake noise, pulsation, pad wear, fluid leaks, and concerns with power assist systems. Enhanced braking system designs and features by various manufacturers will also be covered.
